MEMORANDUM FOR: Mr. Scott Breckenridge  
Principal Coordinator, House Select  
Committee on Assassinations

FROM : Norbert A. Shepanek  
Office of the Special Assistant  
to the DDO for External Oversight

SUBJECT : House Select Committee on Assassinations'  
Request for Richard T. Gibson's 201 File

REFERENCE : OLC 78-1792/1, 28 April 1978

1. The House Select Committee on Assassinations has <sup>06,24</sup> requested the 201 file of Richard Thomas Gibson. Mr. Gibson is an active agent serving abroad. Attached is a memorandum from EUR Division suggesting that the HSCA narrow its request to specific items or a period of time.
2. Mr. Gibson was involved in the Fair Play for Cuba Committee at one time. If this is the basis of the HSCA's interest, we could provide pertinent documents or segments of the file related to this activity. (Please note that the HSCA identified subject to us with his FBI file number. Most FBI documents were ours and not releaseable under Third Agency Rule.)
3. We will take no action until we hear from you.

MEMORANDUM FOR: SA/DO/O  
 ATTENTION: Mr. Shepanek  
 FROM : Cameron LaClair  
 EUR/A  
 SUBJECT : HSCA Request for Richard T. Gibson 201 file

1. We have been informally advised by your office that the staff of the House Select Committee on Assassinations (HSCA) has come upon the name of Richard Thomas Gibson in a file on the Oswald case, which has prompted a request by the Committee for the file on Gibson, 201-306052.

2. Mr. Gibson is an active agent of this division, resident in Europe and involved in sensitive current operations. For this reason, we do not wish to make his whole file available to the HSCA, given our obligations to protect sources and methods in this case. If the HSCA can identify the particular documents it wishes to see, or at least the time frame of interest, we will have the pertinent part of the file returned from Archives, searched to see whether in fact there are any particular documents concerning the specific interest of the HSCA, and so advise you. 24
